

CENTRAL COAST UNITED

Central Coast United Financial Aid Information

Central Coast United is committed to fundraising through corporate sponsorships, private donations and by hosting events such as soccer tournaments in an effort to provide financial assistance to as many eligible families as possible. This fundraising allows the Club to implement our mission statement, which promises to educate and develop young athletes to their highest potential through soccer, to all those with the desire and commitment to excel.

To be considered for financial aid you must complete the application and return it, along with a copy of your previous year's federal tax returns to:

Central Coast United
c/o Hugh Payne
1241 Johnson Ave, # 157
San Luis Obispo, CA 93401

Funds available for financial aid are limited and priority will be given to those applications submitted through this formal process.

VOLUNTEER WORK

Players receiving financial aid and their families are required to exert a maximum effort to do volunteer work. This volunteer time may consist of, but is not limited to, lining fields, managing a team, fundraising, etc. Additionally, there is a commitment from the player to attend all practices and games, unless excused by the coach, and to maintain a positive attitude throughout the season. Failure to fulfill the above requirements may result in review of the financial aid granted and possible ineligibility from participating in any team training or games.

All financial aid applicants are expected to pay the reduced player fees on the same payment schedule as other players unless otherwise approved by the Financial Aid Committee.

Please know that all information requested will be kept completely confidential. Award decisions will be made by the FA Committee and you will be notified soon thereafter if your completed application is turned in.
